COVID-19 Risk Assessment – May 2020
Updated October 2020 – Scotland Centres

The purpose of this document is to address any areas of potential risk within our business centres of how we are working to actively reduce the spread of COVID-19 and ultimately making our centres safe for our staff, clients and visitors. We have outlined in detail the measures we are taking to minimise the spread of COVID-19. COVID-19 is a new illness that can affect your lungs and airways. It is caused by a virus called Coronavirus. Symptoms can be mild, moderate, severe or fatal.
