BROAD
GATE

Accelerate your business growth

Located in the heart of Leeds' business district, 1 Broad Gate is just minutes away from the mainline station, with local shops, restaurants and bars on your doorstep.

Our modern workspaces are beautifully designed, and well thought-out too. We've installed extra sound proofing and more desk space into our offices, so you can work free from distraction. And when you need extra privacy, you can escape to our breakout spaces, which have a choice of work zones to boost your focus.

We've packed the space with business-class amenities which your team will love: on-site showers, unlimited bean-to-cup coffee and secure bike storage.

That's not all: add in our concierge service, flexible terms and top-quality coffee, and you have the perfect recipe to grow your business faster.
