## Flexible workspace to power your success

Located in the heart of London's legal district, No. 5 Chancery Lane is just minutes from the Central line, and is an easy walk from both The Law Society and The Royal Courts of Justice.

Our generous office space allows you to spread out and expand - we offer more desk space than other providers. You'll also get unlimited access to our spacious business lounge, which is reserved exclusively for office customers (we don't do table tennis or foosball tables).

All this, plus panoramic views, thoughtful workspace design, flexible terms and concierge service from our on-site team, and you'll attract the best clients to help your business forge ahead with confidence.
