SPACE
TO BE
YOU.

Unleash your potential

Located between Covent Garden and Barbican, 16 High Holborn is located in one of the most desirable areas in London, just few steps away from Chancery Lane underground station and a 5-minute walk from Holborn station.

Thanks to the sound-insulation in the private offices and meeting rooms, you can concentrate on a new business idea or project without disruption. We give you creative space to flourish as well, with more desk space per person than our competitors – and individually air-conditioned offices to keep your teams fresh.

That's not all. You won't find our logo above the door (it's your space, not ours), and we'll help you to brand your office your way.

Switch to Orega High Holborn and watch your productivity grow.
