# Spur your business growth in Manchester

76 King Street is one of the most prestigious addresses in Manchester, and is a stone's throw away from the city's main train stations, Piccadilly and Victoria.

Orega King Street does more than boost your credentials. With office space that's more generous than our competitors, and access to a large private roof terrace and business lounge, your employees will be happier, healthier and more productive.

You won't find our logo above the door (it's your space, not ours), and we'll help you to brand your office your way, helping your brand to shine.

All this, plus just-enough privacy, alternative work zones and a professional support team, and it's easy to see why this is one of our most popular locations.

BUSINESS.
